

2025 WFFL Giving Circle Grant Guidelines & Application

The Women's Foundation of Florida (WFFL) invests in women and girls to positively affect their economic, political, and social status. We empower women and girls to be leaders so they can change the world.

WFFL awards social change micro-grants to support local projects in Palm Beach, Martin, and Broward Counties that advance the status of women/girls. Micro-grants in the amount of \$2,500 will be invested in projects focused on advocacy, leadership development, and economic security. While direct service is incredibly valuable and needed, this grant program focuses on addressing the root causes of obstacles impacting women and girls.

These grants are given by a circle of individuals committed to investing in programs with local social change impact. The grantees may receive additional in-kind support from WFFL members and volunteers.

ELIGIBILITY REQUIREMENTS

- The organization or program must serve women/girls in Palm Beach, Martin, or Broward County and align with WFFL's mission.
- Organizations must have documented 501(c)(3) status or a fiscal sponsor with a written agreement.
- Organizations must have an annual operating budget under \$3 million. (The fiscal sponsor may have a larger budget).

Your application is due no later than Friday, January 3rd at 5:00pm via email to jennifer@WomensFoundationFL.org. Grants will be awarded in late February June 2025.
