

## 2019 Giving Circle Palm Beach County Grant Application

---

The Women's Foundation of Florida awards micro-grants to support local PBC projects that empower women/girls and create social change. Grants will range from \$1,000 to \$2,500. Projects may include advocacy, education, leadership development, life skills development, mentoring, skills development, trainings, and more, but should not focus on delivery of direct service. While direct service is incredibly valuable and needed, this grant program focuses on addressing the root causes of obstacles impacting women and girls. Competitive grant applications will focus on projects empowering women and girls to challenge the status quo, build their leadership, and lead positive change in Palm Beach County. **Join a community call on September 23<sup>rd</sup> at 3pm to learn more and have questions answered.** RSVP to [Takeata@WomensFoundationFL.org](mailto:Takeata@WomensFoundationFL.org) for the call information.

These grants are given by a circle of women committed to investing in programs with local impact.
